

VANADIAN ENERGY ANNOUNCES INCREASE OF PRIVATE PLACEMENT

Vancouver, Canada (November 13, 2018) – Vanadian Energy Corp. (the "Company") (TSXV: VEC), is pleased to announce that further to the Company's news release dated October 17, 2018, the Company has increased its non-brokered private placement financing to gross proceeds of \$1,250,000.

The Company has increased its placement from 4,000,000 flow-through shares (the "FT Shares") to 5,000,000 FT Shares at a price of \$0.10 each and has increased its placement from 6,250,000 non-flow through units of the Company (the "Units") to 9,375,000 Units at a price of \$0.08 each. Each Unit will consist of one common share and one-half common share purchase warrant. Each full warrant will entitle the holder to purchase one common share at a price of \$0.17 per common share for a period of 2 years from closing.

The Company intends to use the proceeds from this private placement to continue exploration and development of the Company's Huzyk Creek in Manitoba, as well as for general working capital. The private placement is subject to TSX Venture Exchange approval, and all securities are subject to a four-month-and-one-day hold period.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release. The foregoing information may contain forward-looking information relating to the future performance of the Company. Forward looking information is subject to a number of known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in our forward looking statements. Such risks and other factors include, among others, the actual results of exploration activities, changes in world commodity markets or equity markets, the risks of the mining industry including, without limitation, those associated with the environment, delays in obtaining governmental approvals, permits or financing or in the completion of development or construction activities, title disputes, change in government and changes to regulations affecting the mining industry, and other risks and uncertainties detailed from time to time in the Company's filings with the Canadian securities administrators (available at www.SEDAR.com). Forward-looking statements are made based on various assumptions and on management's beliefs, estimates and opinions on the date the statements are made. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in the forward-looking information contained herein. The Company undertakes no obligation to update forward-looking statements if these assumptions, beliefs, estimates and opinions or other circumstances should change, except as required by applicable law.
