The persons named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Corporation. **A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE CORPORATION'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA., 100 UNIVERSITY AVENUE, 9TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, OR BY TOLL FREE FAX 1.866.249.7775 NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF.**

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Corporation's registrar and transfer agent, **Computershare Trust Company of Canada., 100 University Avenue, 9th floor, Toronto, Ontario, M5J 2Y1**, at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Proxy will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this information circular, the management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Corporation who have an interest in the motion and common shares held by their "associates", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

General

The authorized capital of the Corporation consists of an unlimited number of common shares without par value and an unlimited number of preferred shares without par value. There were 42,261,150 common shares of the Corporation issued and outstanding as of the close of business on November 5, 2020, each share carrying the right to one vote. There were no preferred shares issued and outstanding as of the close of business on November 5, 2020.

Only Shareholders of record as at the close of business on November 5, 2020 (the "**Record Date**") who either personally attend the Meeting or who have completed and delivered a form of Proxy in the manner and subject to the provisions described under the heading "Appointment and Revocation of Proxies" shall be entitled to vote, or have their common shares voted, at the Meeting, or any adjournment thereof. On any poll, each Shareholder of record holding common shares of the Corporation on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as at the Record Date.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares

are registered under the name CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such common shares are voted.**

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

The Corporation will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Corporation is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Principal Holders of Voting Shares

To the knowledge of the directors and senior officers of the Corporation, as of November 5, 2020 there are no persons or corporations that beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation other than:

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding Shares
Clive T. Johnson	7,497,758	17.74%

STATEMENT OF EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The compensation of the Corporation's Named Executive Officers has been established with a view to attracting and retaining executives critical to the Corporation's short and long-term success and to continue providing executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry, in particular.

Compensation of the Corporation's Named Executive Officers is comprised of a base salary and the grant of options to purchase common shares under the Corporation's stock option plan (as more particularly described below). Through its executive compensation practices, the Corporation seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Corporation's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Corporation's success, align the interests of the Corporation's executives and shareholders by motivating executives to increase shareholder value.

Within the context of the overall objectives of the Corporation's compensation practices, the Corporation determined the specific amounts of compensation to be paid to each of its executives during the year ended July 31, 2020 based on a number of factors, including the Corporation's understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities, the Corporation's executive performance during the fiscal year, the roles and responsibilities of the Corporation's executives, the individual experience and skills of, and expected contributions from, the Corporation's executives, the Corporation's executives' historical compensation and performance within the Corporation, and any contractual commitments the Corporation has made to its executives regarding compensation.

The board of directors of the Corporation (the "**Board of Directors**" or "**Board**") has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Corporation's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Corporation.

Base Salary

The Corporation's approach is to pay its executives a base salary that is competitive with those of other executive officers in similar companies. The Corporation believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Corporation also believes that attractive base salaries can motivate and reward executives for their overall performance. The Corporation has not entered into any management agreements with its executive officers.

Option Based Awards

The Corporation has in effect a stock option plan (the "**Stock Option Plan**") in order to provide effective incentives to directors, officers, senior management personnel, employees and consultants of the Corporation and to enable the Corporation to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Corporation's Shareholders. The Corporation has no equity compensation plans other than the Stock Option Plan. The Stock Option Plan is an important part of the Corporation's long-term incentive strategy for its executive officers, permitting them to participate in any appreciation of the market value of the common shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Corporation and the degree to which such executive officer's long term contribution to the Corporation will be key to its long-term success. Previous grants of stock options are taken into account when considering new grants. The Corporation also grants options to charitable organizations as part of its commitment to social responsibility.

The Corporation is seeking the approval of the Shareholders at the Meeting to re-approve the Stock Option Plan. The significant terms of the Corporation's Stock Option Plan are set out below under the heading "Particulars of Other Matters to be Acted Upon – Re-Approval of Rolling Stock Option Plan".

Use of Financial Instruments

The Corporation does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, management is not aware of any Named Executive or director purchasing such an instrument.

Named Executive Officers Compensation

In accordance with the provisions of applicable securities legislation, the Corporation had three (3) Named Executive Officers during the financial year ended July 31, 2020 namely Marc Simpson, Szascha Lim and Jessica Van Den Akker. Mr. Simpson has served as the President and Chief Executive Officer of the Corporation since January 25, 2013. Ms. Lim has served as Chief Financial Officer since January 31, 2020. Ms. Van Den Akker served as the Chief Financial Officer from January 4, 2017 to January 31, 2020.

Gordon Keep is a director of Rusoro Mining Ltd. ("Rusoro"). On May 21, 2013, the British Columbia Securities Commission ("BCSC") issued a cease trade order against Rusoro for failure to file its audited financial statements for the year ended December 31, 2012 and related Management's Discussion and Analysis. On June 5, 2013 and June 7, 2013 respectively, similar cease trade orders were issued against Rusoro by the Ontario Securities Commission ("OSC") and the Autorité des Marchés Financiers ("AMF"). On August 19, 2013, Rusoro filed its December 31, 2012 financial statements and related Management's Discussion and Analysis. On August 21, 2013 (BCSC), August 28, 2013 (AMF) and on September 4, 2013 (OSC) granted full revocations of the cease trade order issued by each of them. Rusoro was unable to file its December 31, 2012 financial statements and Management's Discussion and Analysis by the required filing deadline because it experienced significant delays in preparing them due to the nationalization by the Venezuelan government of Rusoro's gold mining assets in Venezuela.

Jay Sujir was an independent director of Norwood Resources Ltd. from May 2008 until January 2011. In the last quarter of 2010, the board of directors of Norwood determined that the delays through the last quarter of 2010 had made the company insolvent and believed that the company was not financable, and determined that the interests of all stakeholders would best be protected by an assignment into bankruptcy. Norwood declared bankruptcy on January 19, 2011. Mr. Sujir resigned as a director of Norwood on January 19, 2011.

Jay Sujir was on the board of directors of Red Eagle Mining Corp. which is subject to a cease-trade order issued by the British Columbia Securities Commission on November 20, 2018 for failure to file interim financial statements, management's discussion and analysis, and certification of interim filings for the period ended September 30, 2018.

Jay Sujir was on the board of directors of Red Eagle Mining Corp. which owned and operated the Santa Rosa mine in Colombia. Due to start up issues Red Eagle had difficulty servicing its project debt and the mine was only able commence commercial production on the basis of forbearances from the secured lenders. In August 2018 Red Eagle obtained a firm commitment from a third party to refinance the debt with substantial concessions and co-operation from the secured lenders, but in October 2018 the third party defaulted on its commitment and as a result, the secured lenders withdrew their forbearances and appointed a receiver-manager over the assets of Red Eagle.

Mark Corra was a non-executive director of Energold Drilling Corp. ("Energold"). On September 13, 2019 Energold obtained an order from the Supreme Court of British Columbia granting creditor protection under the Companies' Creditors Arrangement Act. On October 3, 2019 the British Columbia Securities Commission issued a cease trade order against Energold for failure to file its interim financial statements for the three months ended June 30, 2019, concurrently the NEX Board of the TSX Venture Exchange suspended trading of the securities of Energold. Mr. Corra resigned as a director of Energold on October 9, 2019.

- (o) a stock option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire upon the general disclosure of undisclosed Material Information; and (b) the automatic extension of an optionee's stock option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities.

"Consultant", "Director", "Disinterested Shareholder Approval", "Eligible Charitable Organization", "Employee", "Investor Relations Activities", "Management Company Employee", "Market Price", "Material Information", "Person" and "Securities Laws" all have the same definition as in the policies of the TSX Venture Exchange.

Pursuant to the Board's authority to govern the implementation and administration of the Stock Option Plan, all previously granted and outstanding stock options shall be governed by the provisions of the Stock Option Plan.

Management recommends, and the persons named in the enclosed Proxy intend to vote in favour of, the adoption and approval of the Stock Option Plan.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by Proxy must be voted in favour of the resolution.

"BE IT RESOLVED THAT the Corporation's Stock Option Plan dated October 23, 2013 be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the policies of the TSX Venture Exchange, as the directors of the Corporation may deem necessary or advisable."

B. Approval of Creation of New Control Person

Background

On December 18, 2018, the Corporation closed a private placement of common shares. As a result of the acquisition of securities in the private placement along with previously held securities and subsequent grant of stock options as

applicable. Clive T. Johnson, the Chairman and a director of the Corporation, indirectly beneficially owns and/or controls in aggregate 7,497,758 Common Shares of the Corporation representing 18.24% of the issued and outstanding Common Shares of the Corporation and would own 9,557,758 Common Shares, representing 22.14% on a partially diluted basis, assuming the exercise of 1,250,000 warrants and 810,000 options.

Creation of a New Control Person

A Control Person is any person that holds or is one of a combination of persons that holds a sufficient number of any of the securities of the Corporation so as to affect materially the control of the Corporation, or that holds more than 20% of the outstanding voting shares of the Corporation, except where there is evidence showing that the holder of those securities does not materially affect the control of the Corporation. The TSX Venture Exchange's policies require that disinterested shareholder approval be obtained where securities issued pursuant to a private placement result, or could result following conversion of convertible securities, in the creation of a new "**Control Person**".

In the event that Clive T. Johnson exercises all of his 1,250,000 warrants and 810,000 options, together in aggregate Mr. Johnson would own 9,557,758 Common Shares. Assuming no other Common Shares are issued by the Corporation, the Common Shares then held would represent 22.14% of the voting securities of the Corporation, and as such he would become a new Control Person of the Corporation.

In addition to his participation in the private placement, Mr. Johnson has been providing additional funding to the Corporation for a number of years, including through equity financings and by way of loans, and the Corporation anticipates that Mr. Johnson will continue to do so. In the event that Mr. Johnson participates in future equity financings of the Corporation, he may acquire additional shares and warrants so that he would end up holding over 20% of the issued and outstanding shares of the Corporation. Mr. Johnson may also convert his existing loan to the Corporation (in the principal amount of \$180,000) into common shares of the Corporation, which could also result in his owning over 20% of the outstanding shares of the Corporation. Any such future private placements or conversion of outstanding loans would be subject to the prior approval of the TSX Venture Exchange.

At this Meeting, the Corporation is seeking disinterested shareholder approval to ratify the issuance of securities to Clive T. Johnson, to the extent that such issuance could result in the creation of a new Control Person.

Disinterested Shareholder Approval

Disinterested shareholder approval, as required by the policies of the TSX Venture Exchange, means shareholder approval obtained by ordinary resolution; provided that, in connection with the approval of the creation of a new Control Person, the votes attached to the Common Shares held by the new Control Person, and any associates or affiliates thereof, are excluded from the calculation of such approval.

Pursuant to the policies of the TSX Venture Exchange, disinterested shareholders will be asked at the Meeting to approve the following resolution:

"BE IT RESOLVED THAT the possibility of Clive T. Johnson becoming a new Control Person of the Corporation (as such term is defined in the TSX Venture Exchange Corporate Finance Manual) as a result of the issuance of securities by the Corporation to Clive T. Johnson as more particularly described in the management information circular of the Corporation dated November 5, 2020, be and the same is hereby ratified, authorized and approved and, for greater certainty, Clive T. Johnson shall hereafter be entitled to exercise warrants or options held by him and to purchase further securities of the Corporation notwithstanding that such exercise or purchase would, or could possibly, increase his ownership of Common Shares to 20% or more of the then issued and outstanding Common Shares."

In order to be passed, a majority of the votes cast by disinterested shareholders at the Meeting in person or by Proxy must be voted in favour of the resolution.

If disinterested shareholder approval is not obtained at the Meeting, Mr. Johnson will be precluded from exercising his warrants or options at any time when such exercise would increase his control of Common Shares to 20% or more of the then issued and outstanding Common Shares.

Directors' Recommendation

The Board recommends to shareholders that they vote in favour of approval of the Creation of Control Person Resolution.

OTHER MATTERS

As of the date of this information circular, management knows of no other matters to be acted upon at this Meeting. However, should any other matters properly come before the Meeting, the shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the shares represented by the Proxy.

COMPOSITION, PROCEDURES AND ORGANIZATION

- (1) The Audit Committee shall consist of at least three members of the Board.
- (2) At least two (2) members of the Audit Committee shall be independent and the Audit Committee shall endeavour to appoint a majority of independent directors to the Audit Committee, who in the opinion of the Board, would be free from a relationship which would interfere with the exercise of the Audit Committee members' independent judgment. All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices applicable to the Corporation. For the purposes of this Charter, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.
- (3) The Board, at its organizational meeting held in conjunction with each annual general meeting of the shareholders, shall appoint the members of the Audit Committee for the ensuing year. The Board may at any time remove or replace any member of the Audit Committee and may fill any vacancy in the Audit Committee.
- (4) Unless the Board shall have appointed a chair of the Audit Committee, the members of the Audit Committee shall elect a chair and a secretary from among their number.
- (5) The quorum for meetings shall be a majority of the members of the Audit Committee, present in person or by telephone or other telecommunication device that permits all persons participating in the meeting to speak and to hear each other.
- (6) The Audit Committee shall have access to such officers and employees of the Corporation and to the Corporation's external auditors, and to such information respecting the Corporation, as it considers to be necessary or advisable in order to perform its duties and responsibilities.
- (7) Meetings of the Audit Committee shall be conducted as follows:
 - (a) the Audit Committee shall meet at least four times annually at such times and at such locations as may be requested by the chair of the Audit Committee. The external auditors or any member of the Audit Committee may request a meeting of the Audit Committee;

 - (c) management representatives may be invited to attend all meetings except private sessions with the external auditors.

- (8) The internal auditors and the external auditors shall have a direct line of communication to the Audit Committee through its chair and may bypass management if deemed necessary. The Audit Committee, through its chair, may contact directly any employee in the Corporation as it deems necessary, and any employee may bring before the Audit Committee any matter involving questionable, illegal or improper financial practices or transactions.

ROLES AND RESPONSIBILITIES

- (1) The overall duties and responsibilities of the Audit Committee shall be as follows:

Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 6. COMPENSATION

The Committee shall recommend to the Board the terms upon which directors shall be compensated, the Chair of the Board and those acting as committee chairs that adequately reflect the responsibilities they are assuming. ITEM 7. OTHER BOARD COMMITTEES

The Board of Directors has no other committees other than the Committee and the Audit Committee.

ITEM 8. ASSESSMENTS

The Committee assesses the needs of the Board and makes recommendations with respect to rules and guidelines governing and regulating the affairs of the Board including the frequency and location of Board and committee meetings, procedures for establishing meeting agendas and the conduct of meetings, the adequacy and quality of the information provided to the Board prior to and during its meetings, and the availability, relevance and timeliness of discussion papers, reports and other information required by the Board.
